Profile

Naturalist guide who travels to numerous National Parks and foreign destinations. Works with clients from organizations like National Geographic and Smithsonian. Background in Sociology, social work, and case management. Relates well to all types of clients regardless of age, socioeconomic status, religious, or political background.

Experience

Naturalist Guide/Instructor/Owner, Dodge Guides; Livingston, MT — 2002-Present

Lead trips into wilderness areas, insuring my clients safety while providing logistical services, instruction on local flora and fauna during hikes and sight seeing excursions. Teach CPR and First Aid classes.

Group Leader, Three Rivers Montana; Belgrade, MT — 2003-2004

Managed three staff members and ten adjudicated youth who spent 60 days in the back country. The youth were provided wilderness therapy that consisted of coping skills, group work, as well as instruction in science and nature.

Case Manager, Alternative Youth Adventures; Boulder, MT — 2002-2003

Worked with adjudicated youth in their communities after release from the backcountry phase of the program. Along with probation officers, community members and families, we provided structure as the youth reintegrated themselves into the community.

Wilderness Therapy Field Guide Alternative Youth Adventures; Boulder, MT — 1999-2002

Mentored adjudicated youth while they completed their 60 day wilderness therapy. Taught survival skills while guiding the youth through physically and mentally demanding challenges.

Education

Concordia University, St. Paul, MN — B.A. Social Science, 1995

Skills

Crisis Prevention Instructor, Certified Community Mediator, Wilderness First Responder, Search and Rescue Volunteer, Certified CPR/First Aid Instructor, Certified Soccer Coach
